EDMONTON, ALBERTA, WEDNESDAY, OCT. 27, 1954

Section One—8 Pages

THE REV. Roy Crisfield, rector of Colinton; Archdeacon Humphreys, rector of Athabasca; Bishop Pierce from Peace River; the Rev. R. S. H. Greene, incumbent of Lac la Biche; Mr. Ron Parsons, lay reader of Boyle and Grassland; the Rev. H. G. Macdonald, rector of St. David's, Edmonton.

Rev. R. S. H. Greene Inducted In Impressive Anglican Service

Dressed in colorful cope and sang as a solo, "Love Ye the mitre, traditional robes of a Lord," by Handel.

At a reception which followed in the rectory, a delicious luncheon and tea was served by the ladies. In speaking to those assembled, Bishop Price stressed the growing strength of the Church in the Athabasca Deanery. Where only a few years ago the church had only one full-time worker in the area, it now has four. "The future," said his Lordship, "looked very bright."

On the following morning, October 18, which was St. Luke's Day, the fourth anniversary of the Bishop's consecration, the Bishop was the celebrant at a service of holy communion attended by nearly every communicant member of the parish. This was followed by breakfast in the rectory.

Those attending from a distance were Mr. Charlie Mitchell, Big Bay; Mr. and Mrs. Geo. Price, Miss Audrey Price, Brierville; Miss Alva Franchuk, Wandering River; Bishop and Mrs. Pierce, Peace River; the Rev. and Mrs. Roy Crisfield, Colinton; Mr. and Mrs. Ron Parsons, Boyle; Archdeacon and Mrs. Newlyn Humphreys, Athabasca; the Rev. Harold Macdonald, Edmonton.

Some of those attending from a special choir composed of Mr. and Mrs. John Mitchell, Mr. and Mrs. E. Dobson, Miss Alva Franchuk, and Miss Alma Price, sang the Magnificat and the Nunc Dimittis. Mrs. Allan Brimsmead

Lac la Biche included Dr. and Mrs. Allan Brimsmead, Mr. and Mrs. W. J. Chester, Mrs. Chester Jr., Miss Alma Price, Mrs. N. M. Bailey, Mr. Arch McElwain, Master Donald Dobson, Master Gerald Mitchell, Miss Beverley Chester, Mrs. John Booker, Mrs. B. Coast, Mr. and Mrs. E. Dobson, Mr. and Mrs. John Mitchell, Mrs. Tom Lett, Mr. Howard Lett, Mr. R. Stubberfield, Mrs. J. Wolstenholme, etc.

Della Belanger-Louis Plamondon Exchange Vows

PLAMONDON — A lovely wedding was solemnized in the Roman Catholic church when marriage vows were exchanged between Della Belanger and Louis Plamondon. Rev. A. Ricard officiated.

The bride chose as her gown the traditional satin and lace, with trailing veil and tiny velvet cap. She carried a large bouquet of pink and white roses. Her jewelry was a rhinestone necklace and earrings.

The bridesmaids, Miss Ethel Belanger, sister of the bride, and Miss Olive Plamondon, the groom's sister were dressed in yellow taffeta and net, and green taffeta and net.

The groom's attendants were Urban Belanger from Trail, B.C., and Roland Plamondon.

Little Sandra Gauthier, the bride's niece, was flower girl and dressed in mauve taffeta. She was accompanied by Charles Plamondon.

A banquet dinner and supper was served to about 40 guests at the home of Mr. and Mrs. Felix Belanger. Among the guests was Father Ricard.

A large crowd attended the dance given in Plamondon hall in the young couple's honor.

Mr. and Mrs. Louis Plamondon will make their home in Plamondon.

Mink Farmers Hold Show

LAC LA BICHE — Show time is here again for our mink farmers. The mink will be on display at the curling rink, starting at 1 p.m., Nov. 5.

There you will find mink as white as the down from an angel's wings, Aleutians with the delicate tints from the mists of paradise, dazzling Palminoes whose coats might have been spun in the gold mines of Ophir.

When one sees those gorgeous darks, with their svelte flowing lines, one thing only comes to mind, sheer downright luxury. The show is open to anyone interested in seeing the most beautiful, glamorous furs on earth.

Local Boys Catch Mink With Stocking

LAC LA BICHE — Ronald and Tony Sampietro caught a mink in Lac la Biche lake recently, near the MacKenzie fish plant.

While Ronald rowed the boat, Tony took off his stocking and put it on his hand. After considerable rowing by Ronald, they tired the animal and it was finally caught.

The boys sold the silver blue to a local rancher.

WI Collect \$78.00 CNIB

LAC LA BICHE — The regular meeting of the WI was held at the Dr. Swift school on Tuesday, Oct. 19. New business was dealt with after the reading of minutes and correspondence. Canvassers for Poppy day were appointed.

The library convener reported that since the first of the year, 351 new books have been added and that their number would increase to 360 by the end of the year. At present there are 226 members and between 145 and 170 books are given out each week. It is expected that next year's Government Grant will come to \$300.00.

Plans for the bingo to be held on Oct. 22 were finalized.

In future there will be two co-hostesses rather than four at each meeting.

Our customary donation to the Salvation Army was moved and passed.

It was reported that \$78.00 had been collected for the CNIB.

The District Home Economist will be invited to lecture on "Quickie Supper Dishes" at our November meeting.

Mrs. J. A. Booker and Mrs. E. Courtney were appointed for the year as Mrs. F. McIntyre has left Lac la Biche.

Mrs. N. Myskiew, education convener, gave an interesting talk on the Alberta General Curriculum Committee Newsletter.

Mrs. F. McMillan and Mrs. D. Joncas gave a demonstration on the use of the pressure cooker.

After the meeting a delicious lunch was served by Mrs. W. E. Coast, Mrs. M. Sewchuk and Mrs. Lemay.

Youths Break Into Store

LAC LA BICHE — On the evening of Oct. 14, two local youths broke into two large business places. The youths took some cash, along with some merchandise from Michael Hamar Co.

They had tried to break into the safe at Hayward's but were unsuccessful.

One of the boys left his old shoes in Hamar's store after taking a new pair and putting them on. This led to his arrest. A trial was to be held Oct. 15 but was postponed until Oct. 23.

Lynx Shot Back Yard

LAC LA BICHE — Duffy Johnston shot a large lynx in their back yard on the evening of Oct. 15. It had killed some of the chickens not far from the spot where it was shot, not more than 10 yards from the house.

Ladies' Aid Changes Name

The October meeting of the Ladies Aid was held at the home of Mrs. W. R. Flack. In the future, the Ladies Aid will be called "Women's Association of the Colinton United Church of Canada." This change of name is the result of a recent rule laid down in the church.

On November 14, the Colinton United Church will be celebrating their 25th anniversary of the dedication of their church. To mark this event an anniversary fowl supper and bazaar will be held in the parish hall on November 13 from 5 to 8 p.m. This will be in place of the annual chicken supper. On November 14, special services will be held in the church at 7.30 p.m., after there will be a social hour, everyone interested is invited to attend this event.

The next meeting of the Women's Association will be held at the home of Mrs. Hayward on November 3. This meeting is being held earlier than usual to enable the ladies to make final arrangements for the anniversary celebration. All members are asked to hand their sewing in by that date so it can be priced.

In 1949 Canadians paid \$3.8 billion in taxes to all governments; they will pay over \$7 billion in the current year.

M.D. Athabasca

New Sections Of Municipal District
May Petition To Join Hospital District

ATHABASCA. — The Hospital Board of the Municipal District of Athabasca has discussed how the new additions to the Municipal District, coming in on the first of the year, can also join the Hospital District.

On Jan. 1, 1955, the two easterly miles of Twps. 66, 65, 64, 63, R. 25, W. 4th, will be included in the Municipal District of Athabasca No. 103. If the residents of this area wish to belong to the Athabasca Municipal District No. 13 and do not belong to the Hospital District No. 13, they must petition to be included in the Hospital District.

The Board also discussed the installation of a Gas Machine on trial.

Also at the October meeting, it was reported that eight medically referred cases were dealt with by the Board. Four in the amount of \$605.00 were passed for payment, two were rejected as they were not referred, and two cases lacked sufficient information to be dealt with at the meeting.

Combined Laboratory and X-ray Course—The Board have been informed that the Department of Health is offering a Combined Laboratory and X-ray Course. The training will take the form of a course in theory and practice in both fields, and will be for a period

of six months, commencing on or about Jan. 1, 1955. The course will be conducted in Edmonton. Candidates who take this course will receive an allowance of \$65.00 per month and will be expected to work in a hospital for at least one year thereafter. The Department is not prepared to approve applications from nursing personnel. However, applications from lay personnel will be acceptable providing they have the necessary qualifications.

Tag Day
Nets \$225

The Hospital Auxiliary wishes to express sincere thanks to the citizens of Athabasca, Colinton and district for their generous donations on the annual tag day which was held October 18. The following was received: Athabasca, \$150.00; Colinton, \$75.00. Making a total of \$225.00.

The Colinton ladies deserve special credit due to the excellent results received from their efforts. Also a special "thank you" to those ladies who donated their time and effort to make this day a success. It should be pointed out at this time that this money is used by the ladies to supply the little "extras" to make patients in the hospital more comfortable. In the past, the Auxiliary have bought special tables which roll over top of the patient's bed, thus making meal time a much happier and more comfortable event. Comfortable chairs have been bought for many of the wards. Toys for the children's ward, papers to be distributed among those wishing to read—these and many more comforts are supplied by the money from the Hospital Auxiliary.

From 1945 to 1952 the number of Canadians voluntarily insured against hospital, medical or surgical expense increased from 2,850,000 to 12,358,000.

NEW POLYTHENE PLANT IN STRATHCONA BEST IN PROVINCE

EDMONTON (BUP)—Canada is now the first British commonwealth country besides Britain producing the versatile plastic polythene.

Alberta Premier E. C. Manning last Thursday opened a 15-million-dollar plant of Canadian Industries Limited which turns out the basic material for items ranging from pipeline insulation to toys.

The Premier cut a ribbon of polythene — which housewives know as the semi-transparent bags they find in supermarkets — to open the plant in the industrial area just east of Edmonton.

The plant includes 14 main buildings and a large amount of uncovered equipment on a 40-acre site. Construction started early in 1952 and was completed late last year. With 250 highly-skilled workers at the controls, it is now in commercial production and has an ultimate capacity of 25-million pounds of polythene resin per year.

Until the plant opened, Canada was dependent on the United States and Britain for her supplies

of the material. The Edmonton plant uses natural gas from the Leduc-Woodbend field to produce the plastic which has made possible, among other things, a trans-Atlantic telephone cable.

Premier Manning said that the plant is "a very important unit in the chain of industrial development taking place in this part of Canada." He said it marks a very important milestone in the process of evolution of the Alberta economy.

Gas that would bring \$100,000.00 when used as a fuel will be worth \$10,000,000.00 when the plant takes out the ethane it contains and turns it into polythene. The gas can still be used as a fuel after it goes through the process.

Manning said the use of natural gas for processing into other products promises still greater diversification of Alberta industry in the future.

Wife of "Mountie" Man Killed at Original Buried On Monday

EDMONTON (BUP)—Funeral services were held in Edmonton Monday for the widow of one of the original Mounties, who was believed to be the city's oldest woman resident.

Mrs. Margaret Belcher, the widow of Lieutenant-Colonel Robert Belcher, died in hospital Friday after a long illness. She was 98.

A native of Lucknow, Ont., Mrs. Belcher moved to Manitoba in 1873. She married Colonel Belcher in 1880 and settled in Edmonton permanently in 1919, after his death.

Farmer Killed In Combine Accident

BARRHEAD (BUP)—A 36-year-old farmer was killed last week in the Shoal Lake district of Alberta when he was run over by a combine.

The victim was Louis Storoz. His wife found him before he died and learned that he had fallen off a tractor. But Storoz was dead before medical aid arrived.

OLIVER.—Carl Ulmer, 40, of Edmonton, a gravel truck driver, was killed Monday when his loaded truck crashed into an Edmonton-bound CNR passenger train.

Ulmer was pinned under the overturned locomotive which rolled over twice before coming to rest. The truck caught fire which in turn set the train's mail car ablaze.

The mail car and the baggage and express car were derailed. Sixteen passengers and crew members escaped injury. The two passenger cars remained on the tracks. Passengers were taken to Edmonton in taxis.

More than 150 feet of track and grade were torn up and wrecking crews estimated it would take more than 10 hours to clear the line. The train was bound for Edmonton from St. Paul. Edmonton firemen extinguished the mail car and damage was slight.

Ulmer is survived by his widow and two children.

Enoch Indian Band On Stony Plain Reserve Worth \$600,000 In Oil Money

Oil is pouring gold into the purses of Alberta's Indians.

Oil derricks and producing wells operating on Indian-reservation timber and wheat lands have moved Indians of some tribes close to independence although they still are government wards.

The federal government's financial responsibilities to the Alberta Indian have in some cases been reduced to education and a slim share of health and welfare. Even the old beef rations have been discontinued in some places.

Wise Administration

Oil altered the picture—oil and the sagacity of tribal councils who refused to surrender treaty lands about 50 years ago and now are using their government-held funds for agricultural expansion and modern housing.

The 15,000 Indians of Alberta's nine tribes live on 71 reservations comprising approximately 1,400,000 acres. All but 274,833 acres was under oil and natural-gas

leases or exploration permits last year.

They now have more than \$7,000,000 held in two accounts at Ottawa—nearly \$4,000,000 above the 1952 figure. This year, they are spending a total of \$1,544,600, seven times as much as last year.

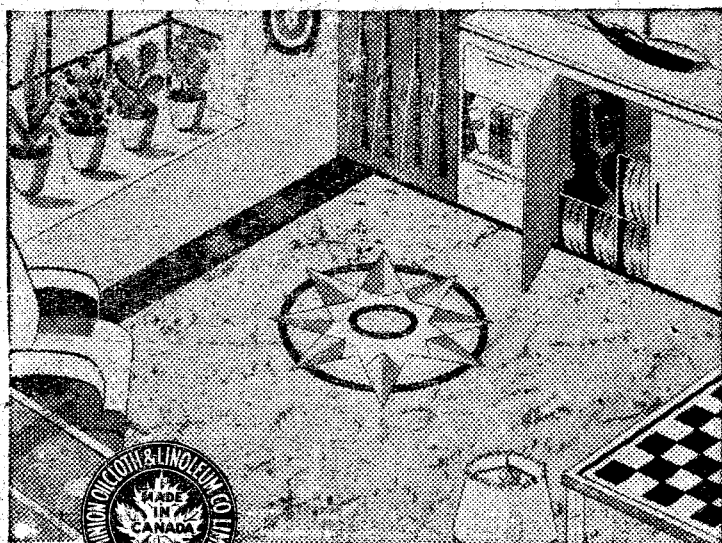

The 23 producing oil wells on the Stony Plain reserve, 20 miles west of Edmonton, mean \$10,000 monthly for the Enoch band. The Enochs have a capital account of \$600,000, and the band's council distributes roughly \$20 a month to each of its 258 members.
